MONEY BRAINROT

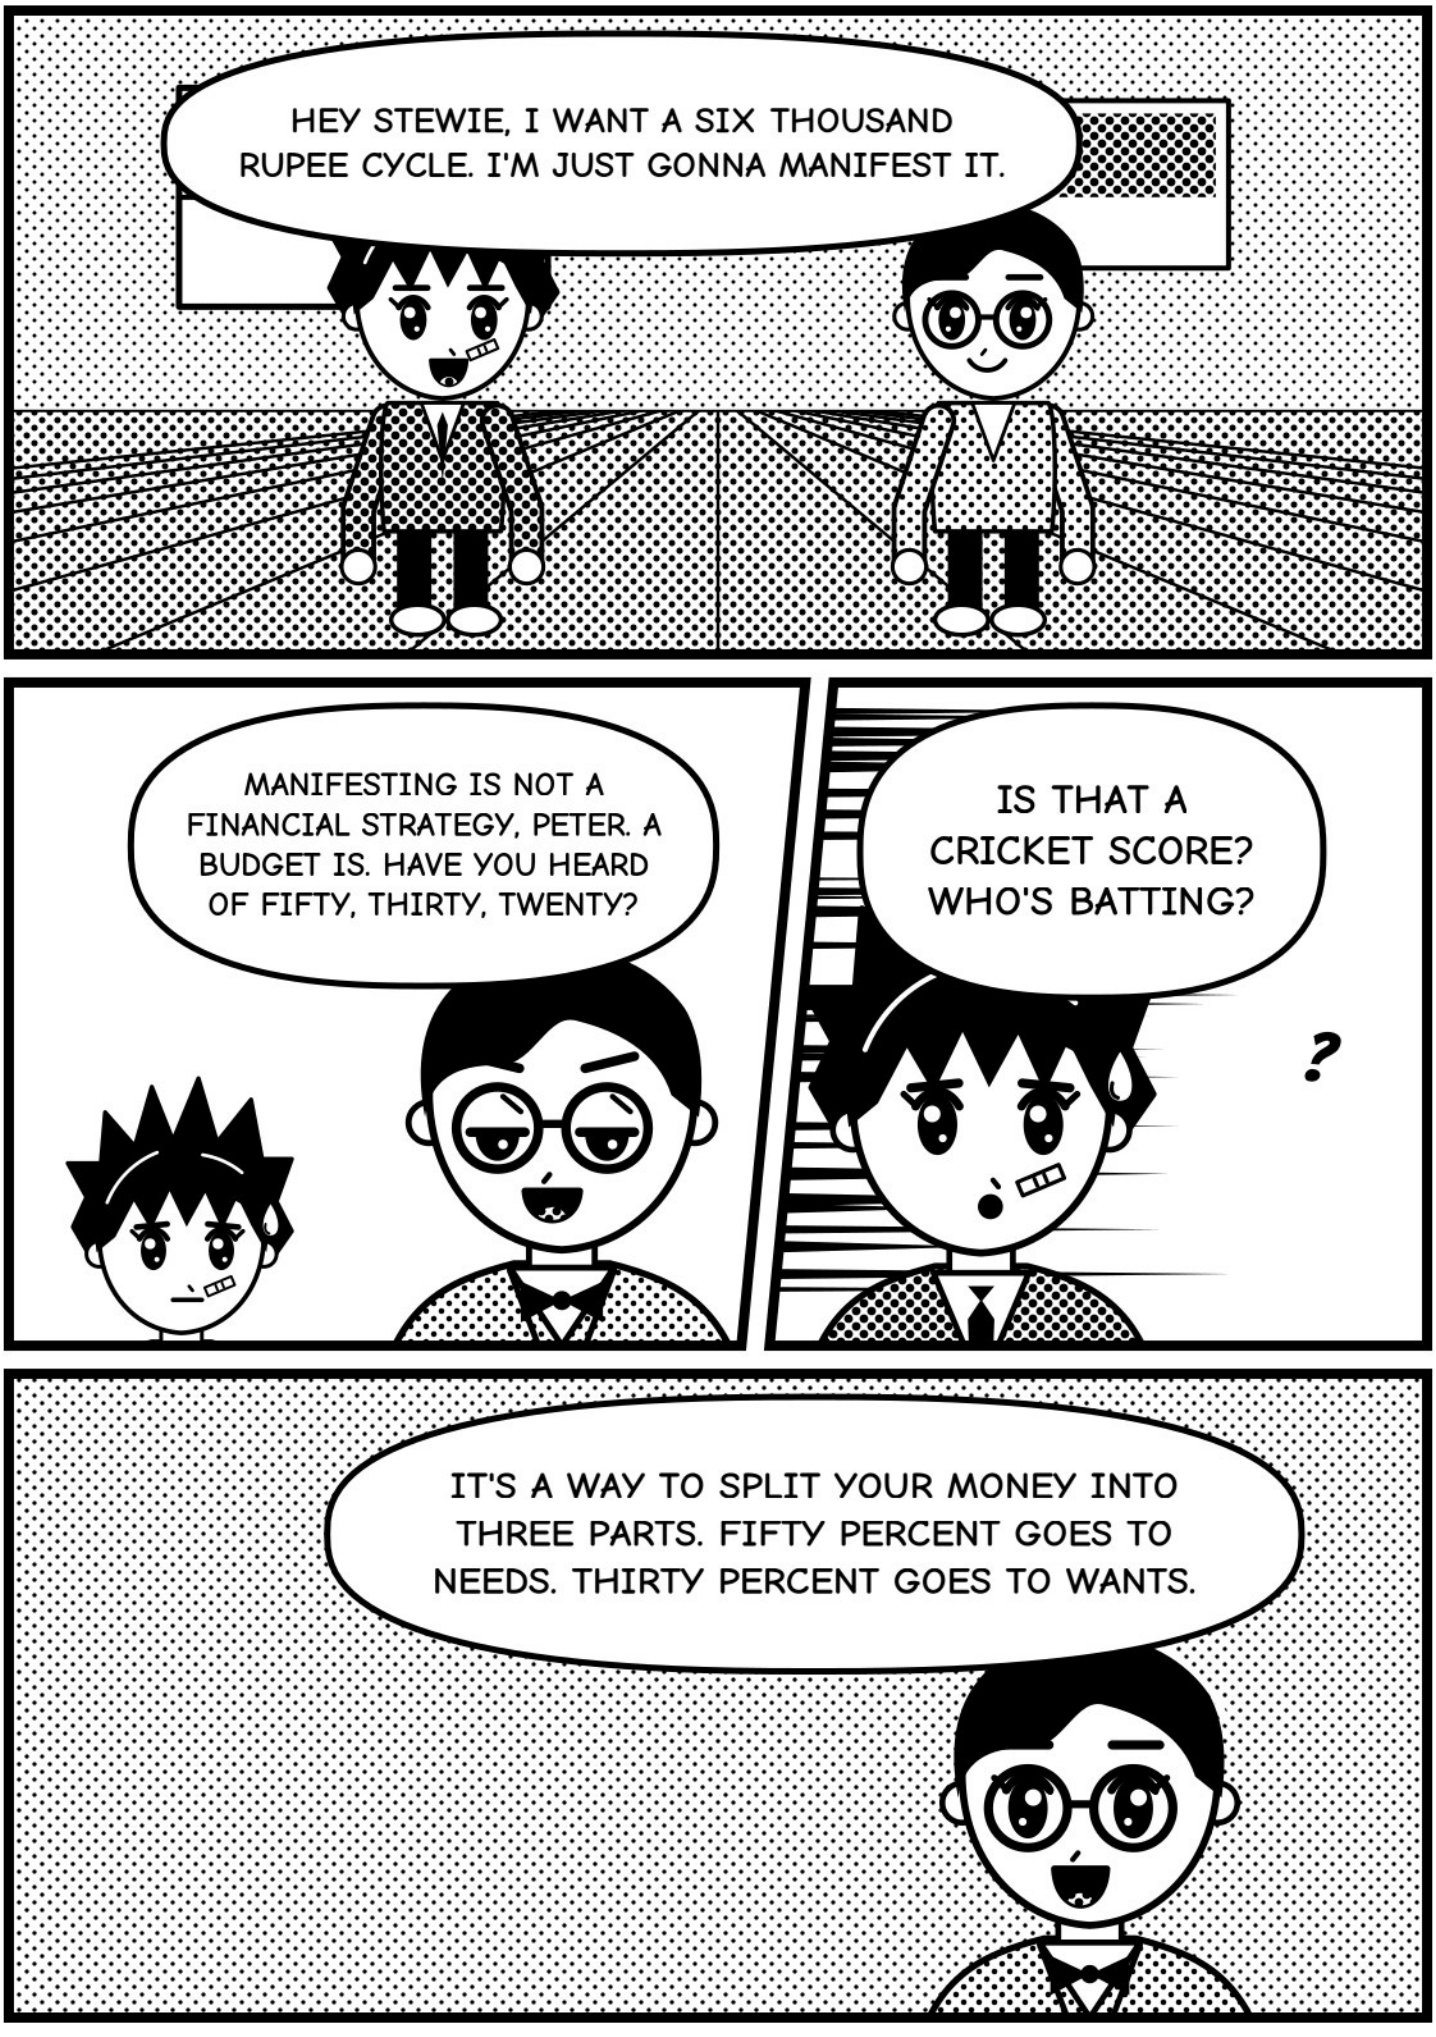

MODULE 1 · PLAN & BUDGET

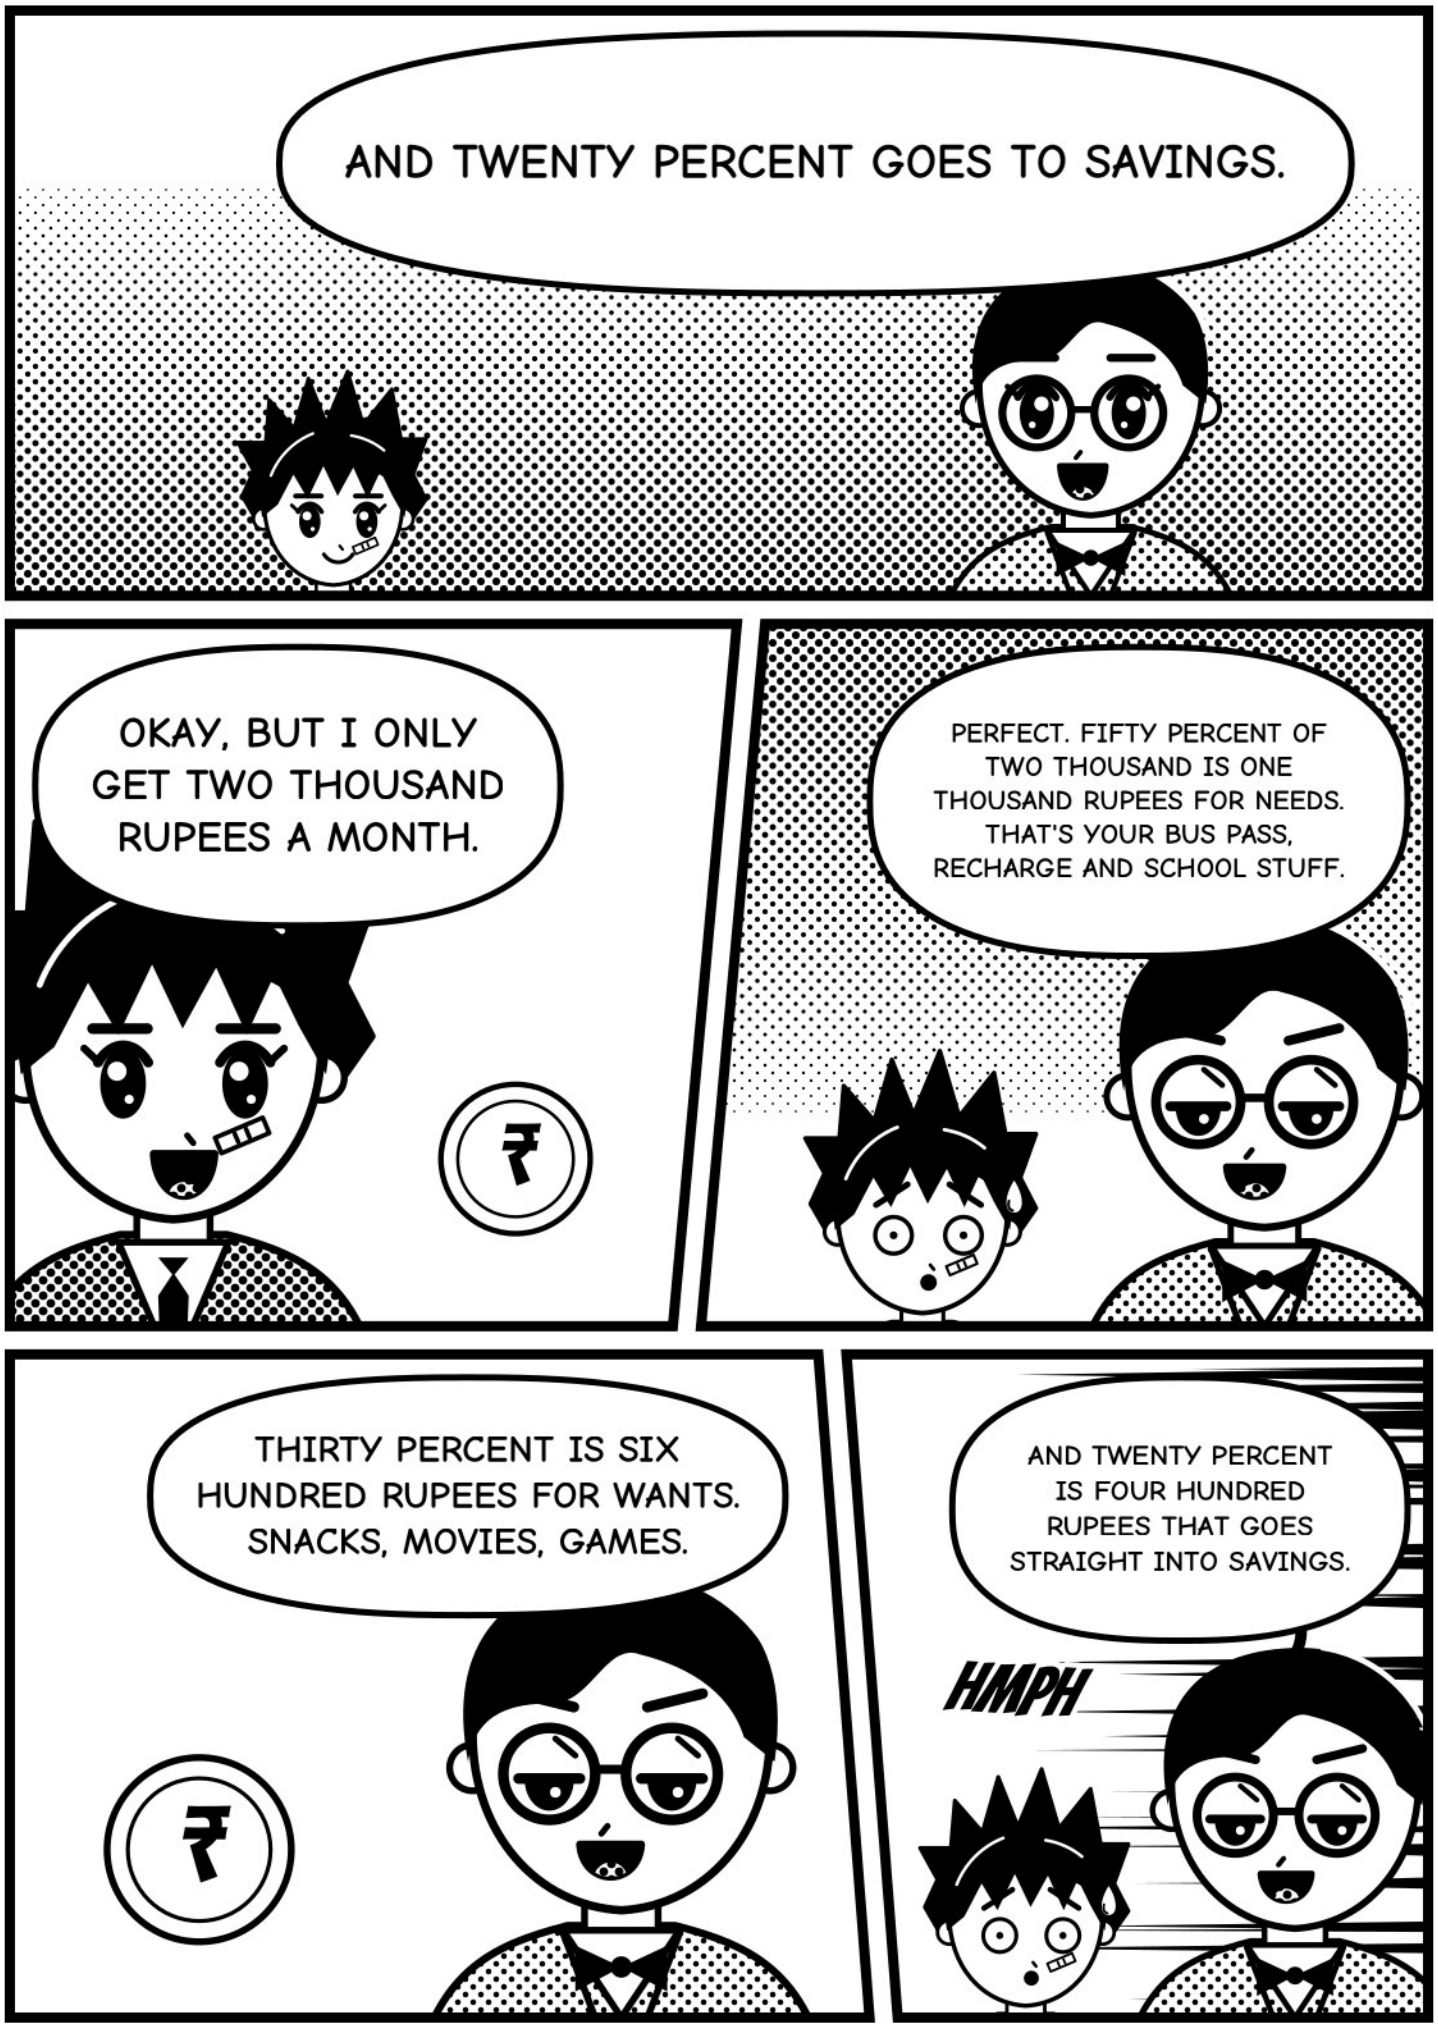

# THE 50-30-20 RULE

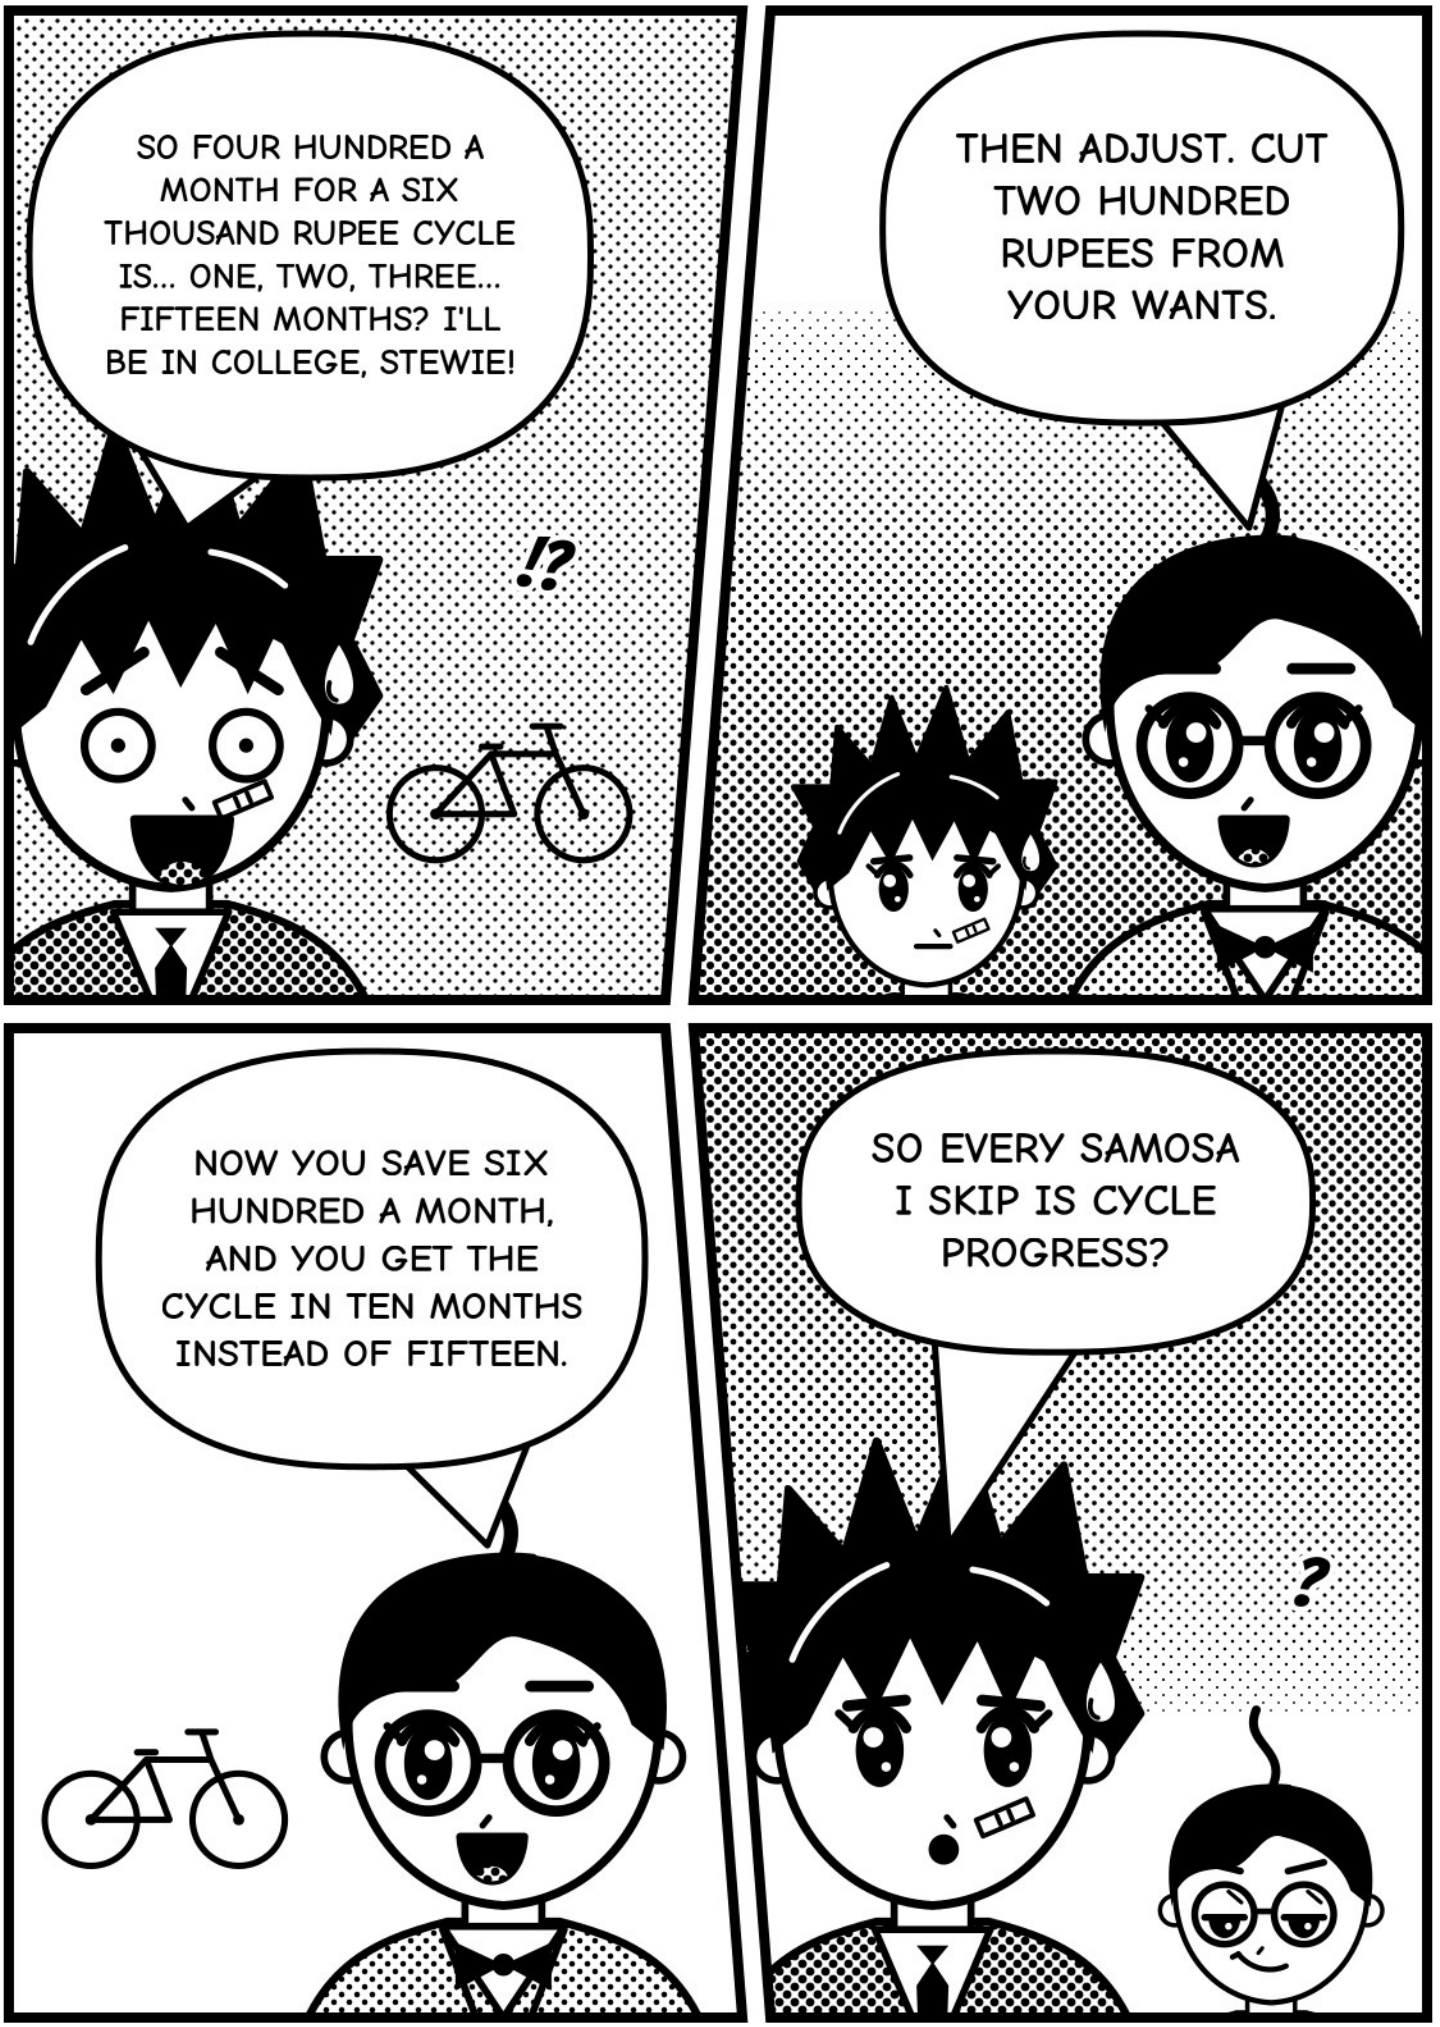

REEL 2

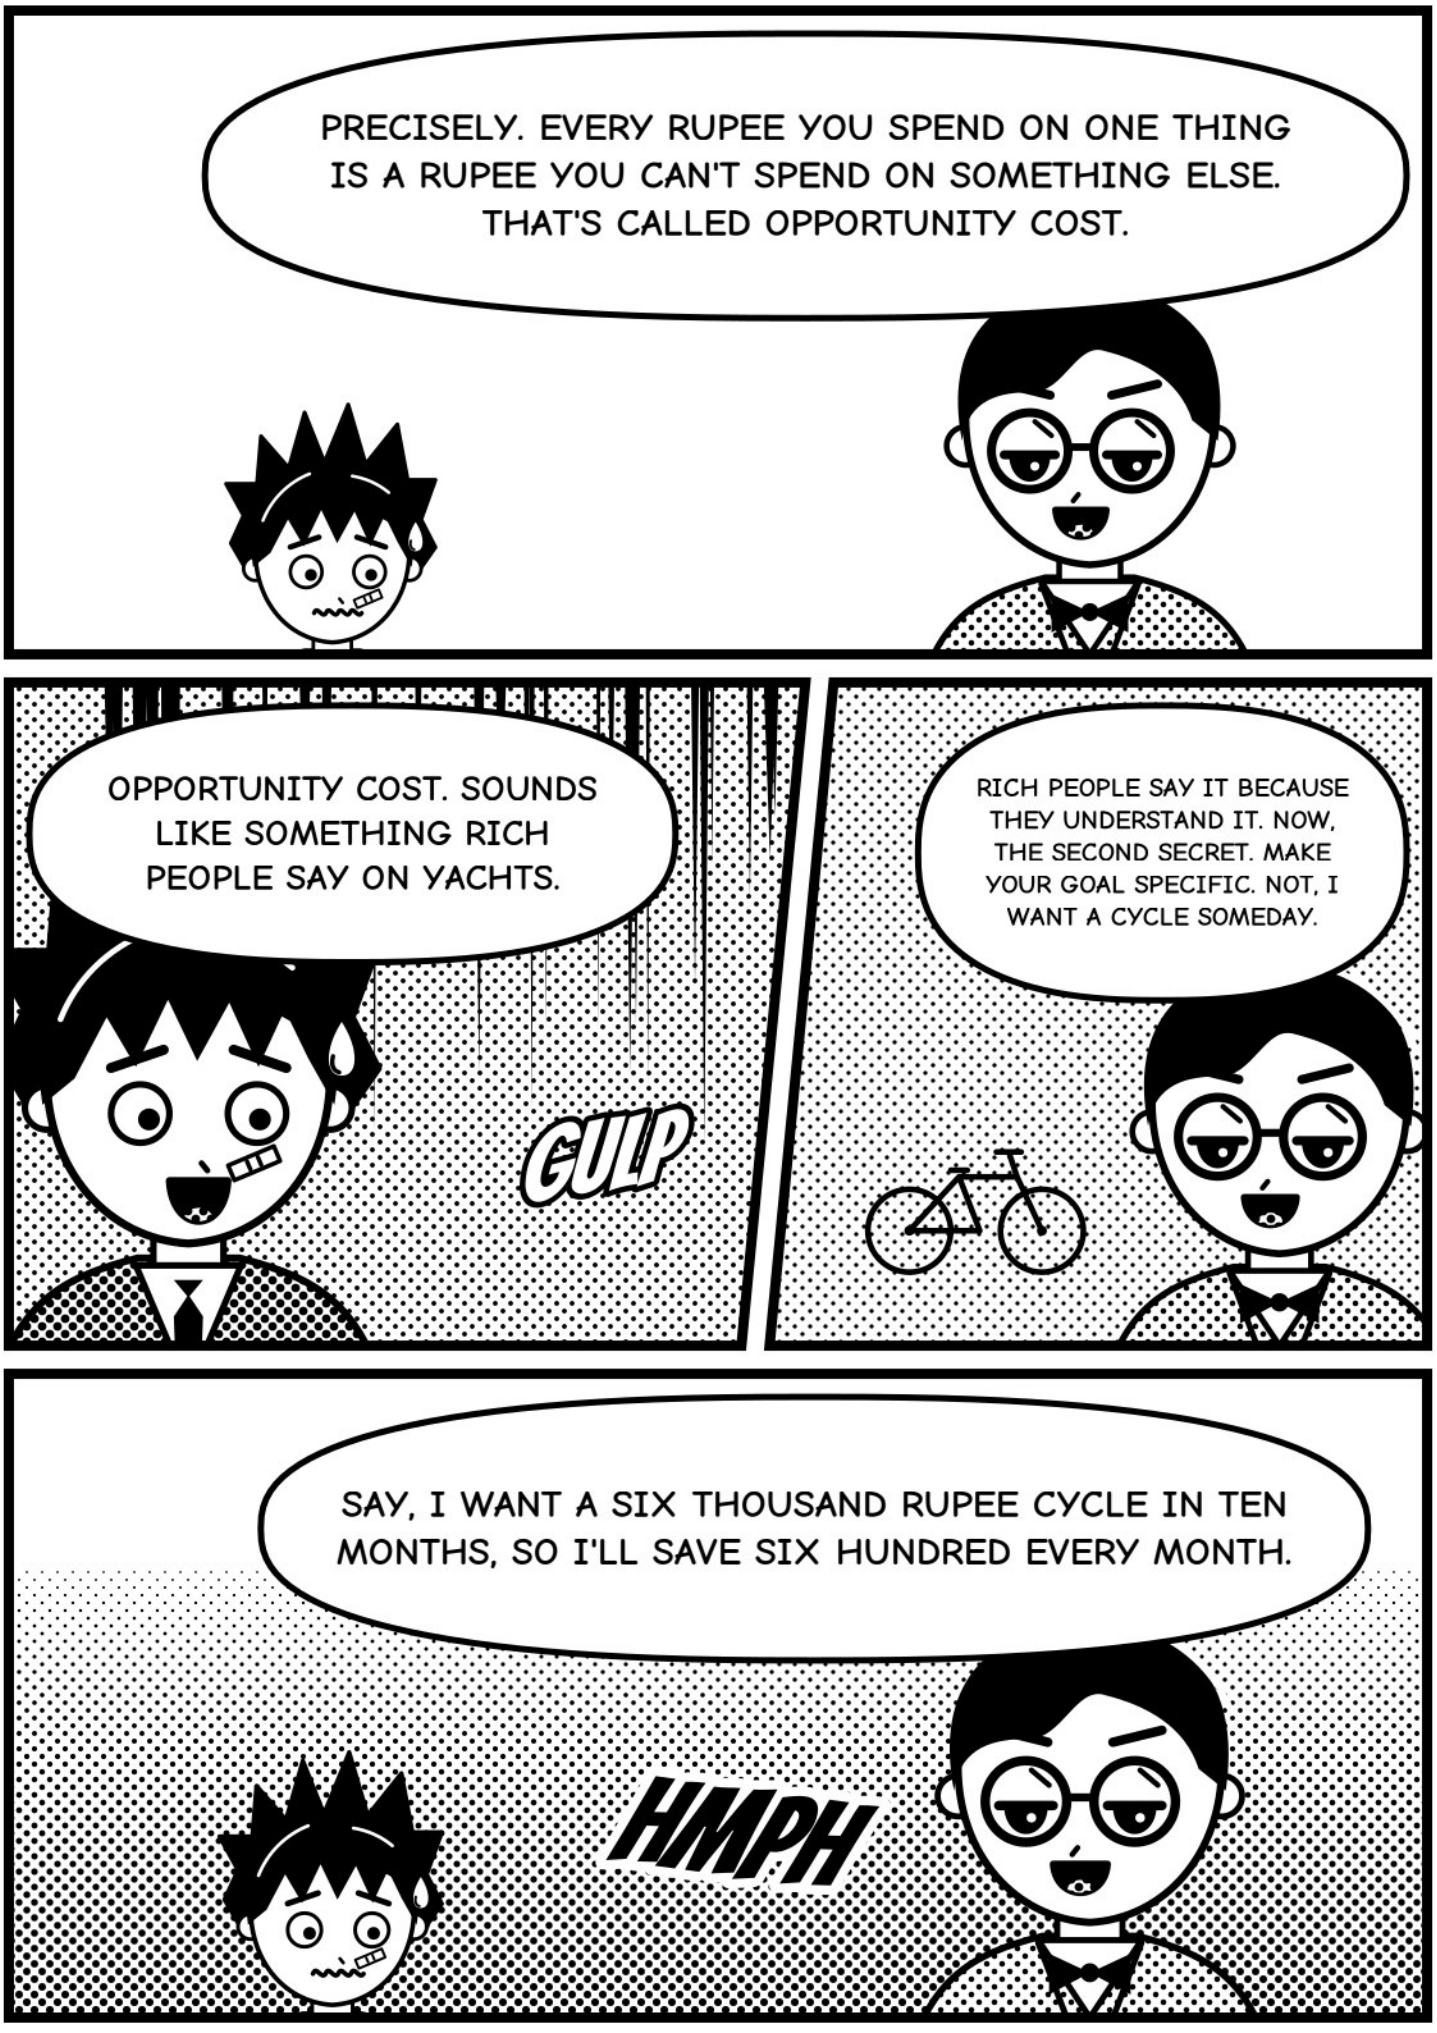

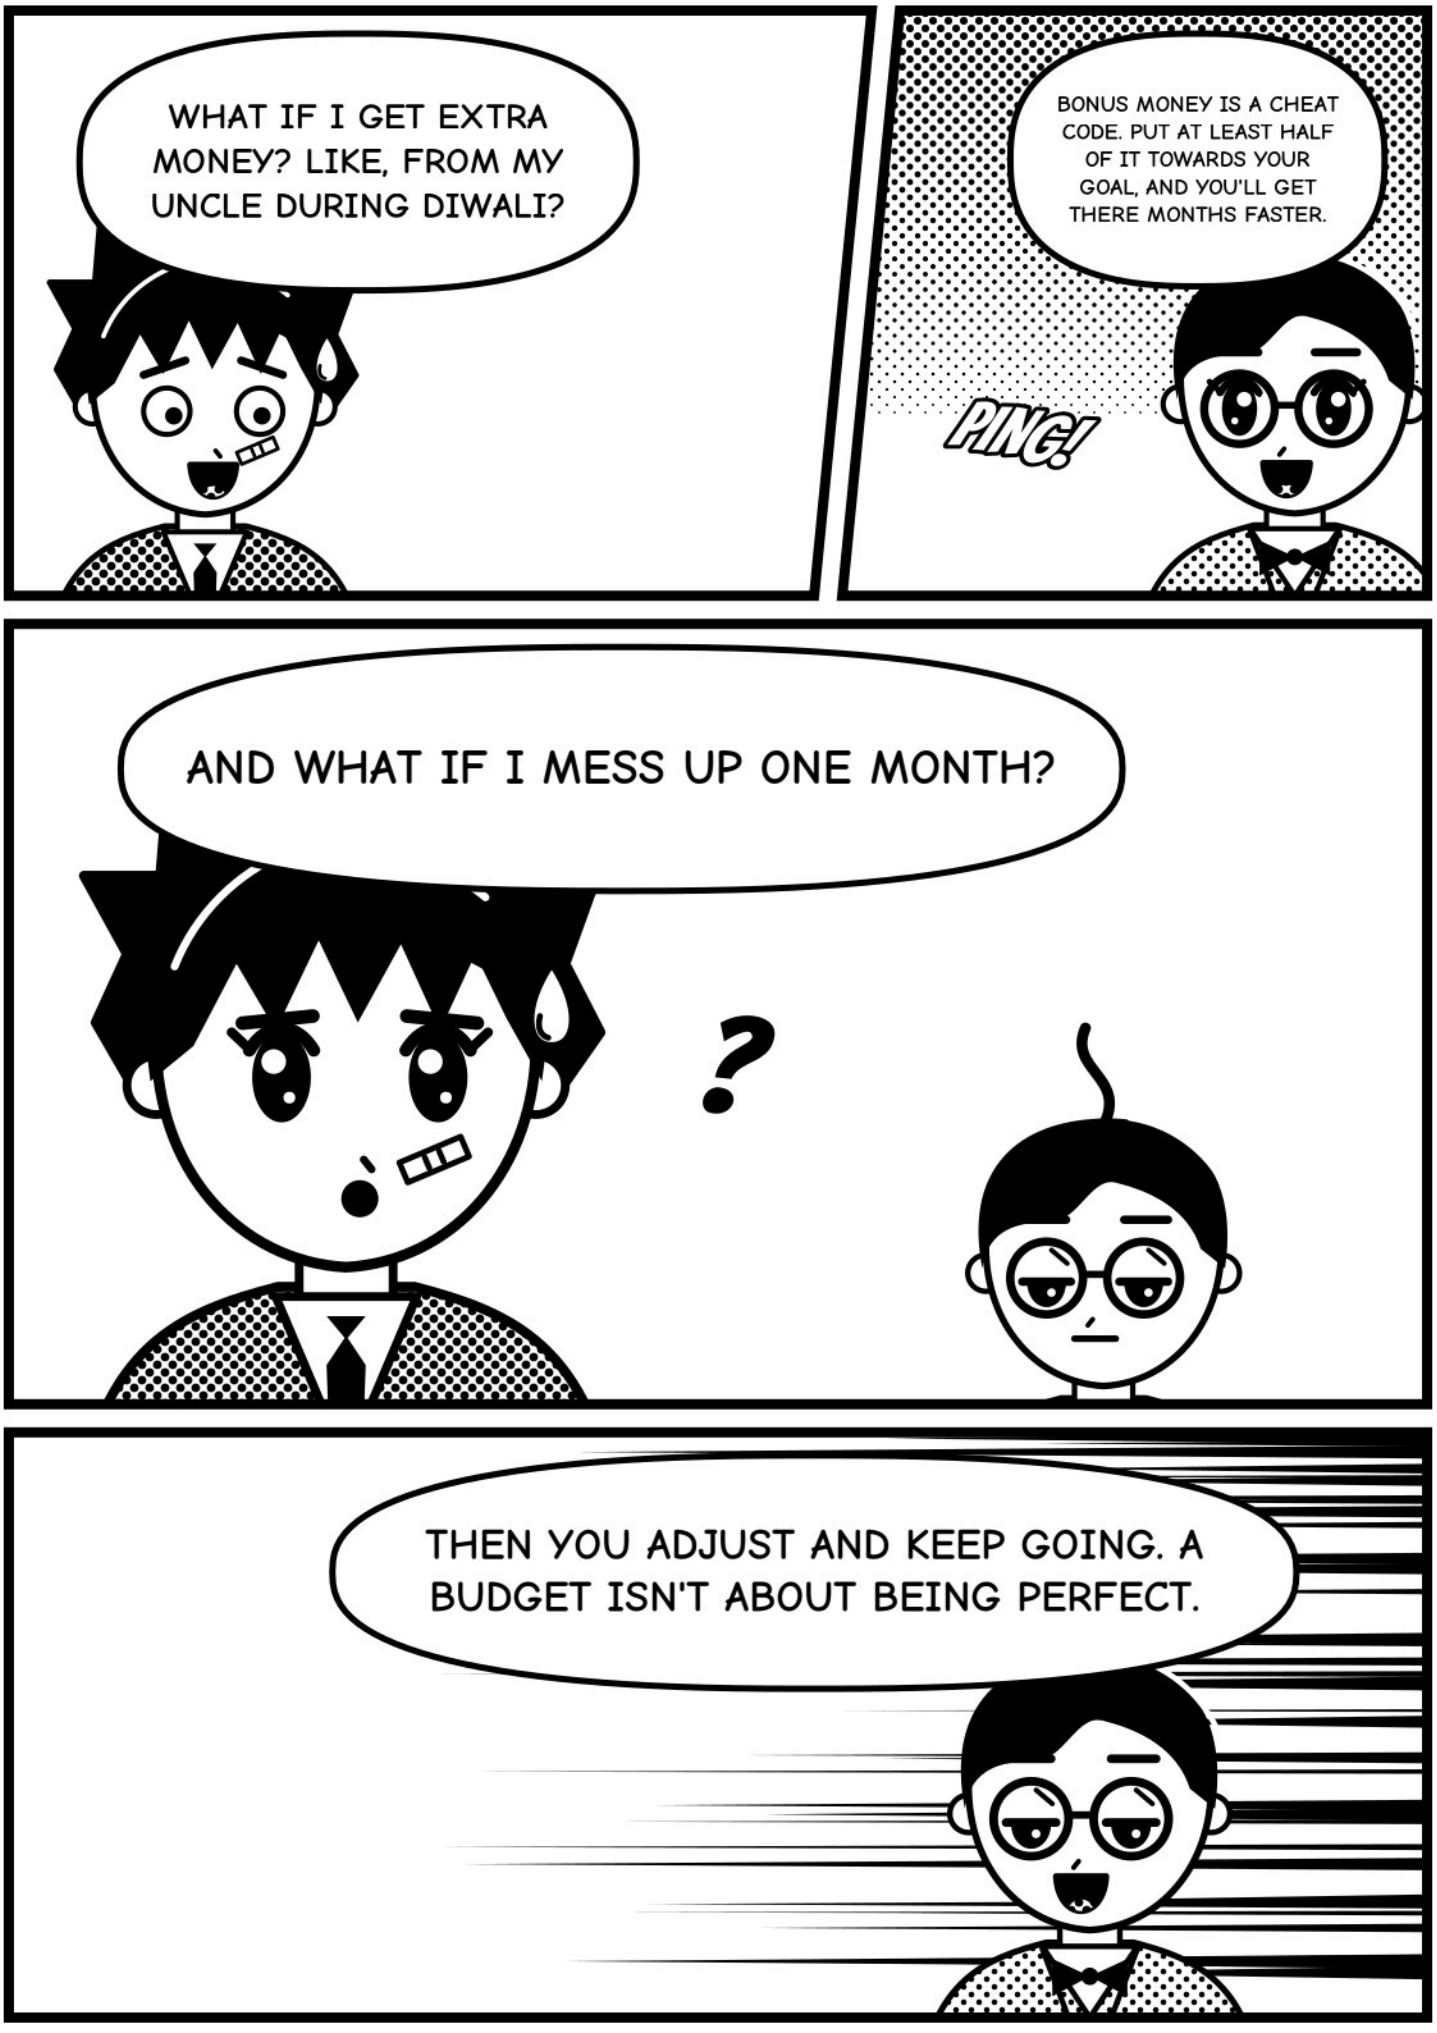

#503020Rule #BudgetingTips #SavingGoals #OpportunityCost
#FinancialLiteracy #TeenMoney #MoneyBrainrot

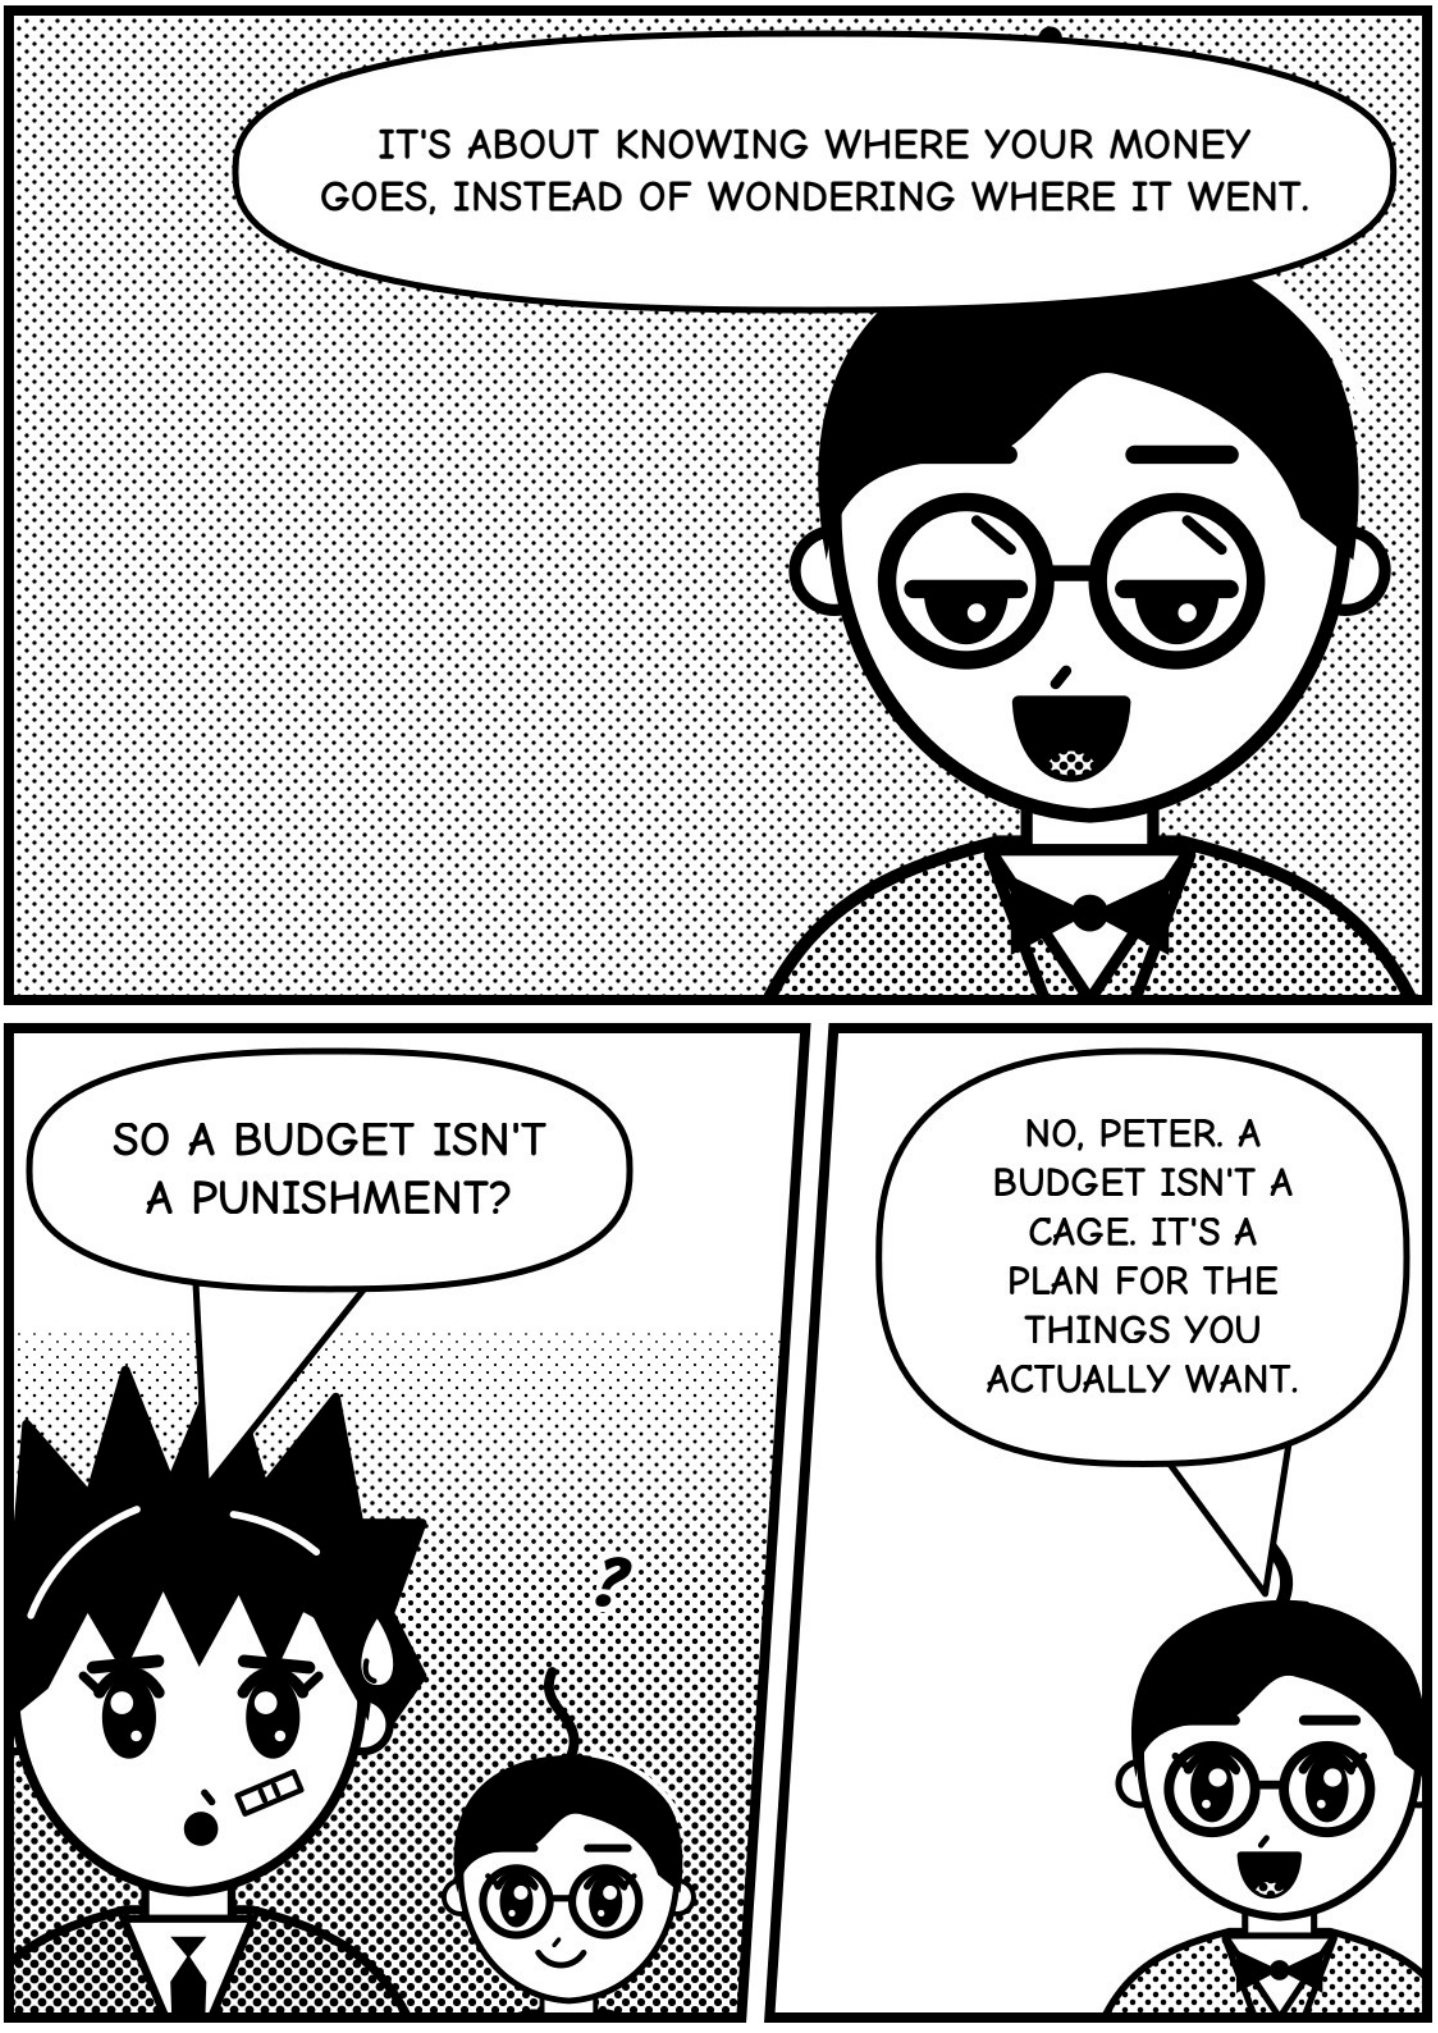

HEY STEWIE, I WANT A SIX THOUSAND RUPEE CYCLE. I'M JUST GONNA MANIFEST IT.
MANIFESTING IS NOT A FINANCIAL STRATEGY, PETER. A BUDGET IS. HAVE YOU HEARD OF FIFTY, THIRTY, TWENTY?
IS THAT A CRICKET SCORE? WHO'S BATTING?
?
IT'S A WAY TO SPLIT YOUR MONEY INTO THREE PARTS. FIFTY PERCENT GOES TO NEEDS. THIRTY PERCENT GOES TO WANTS.

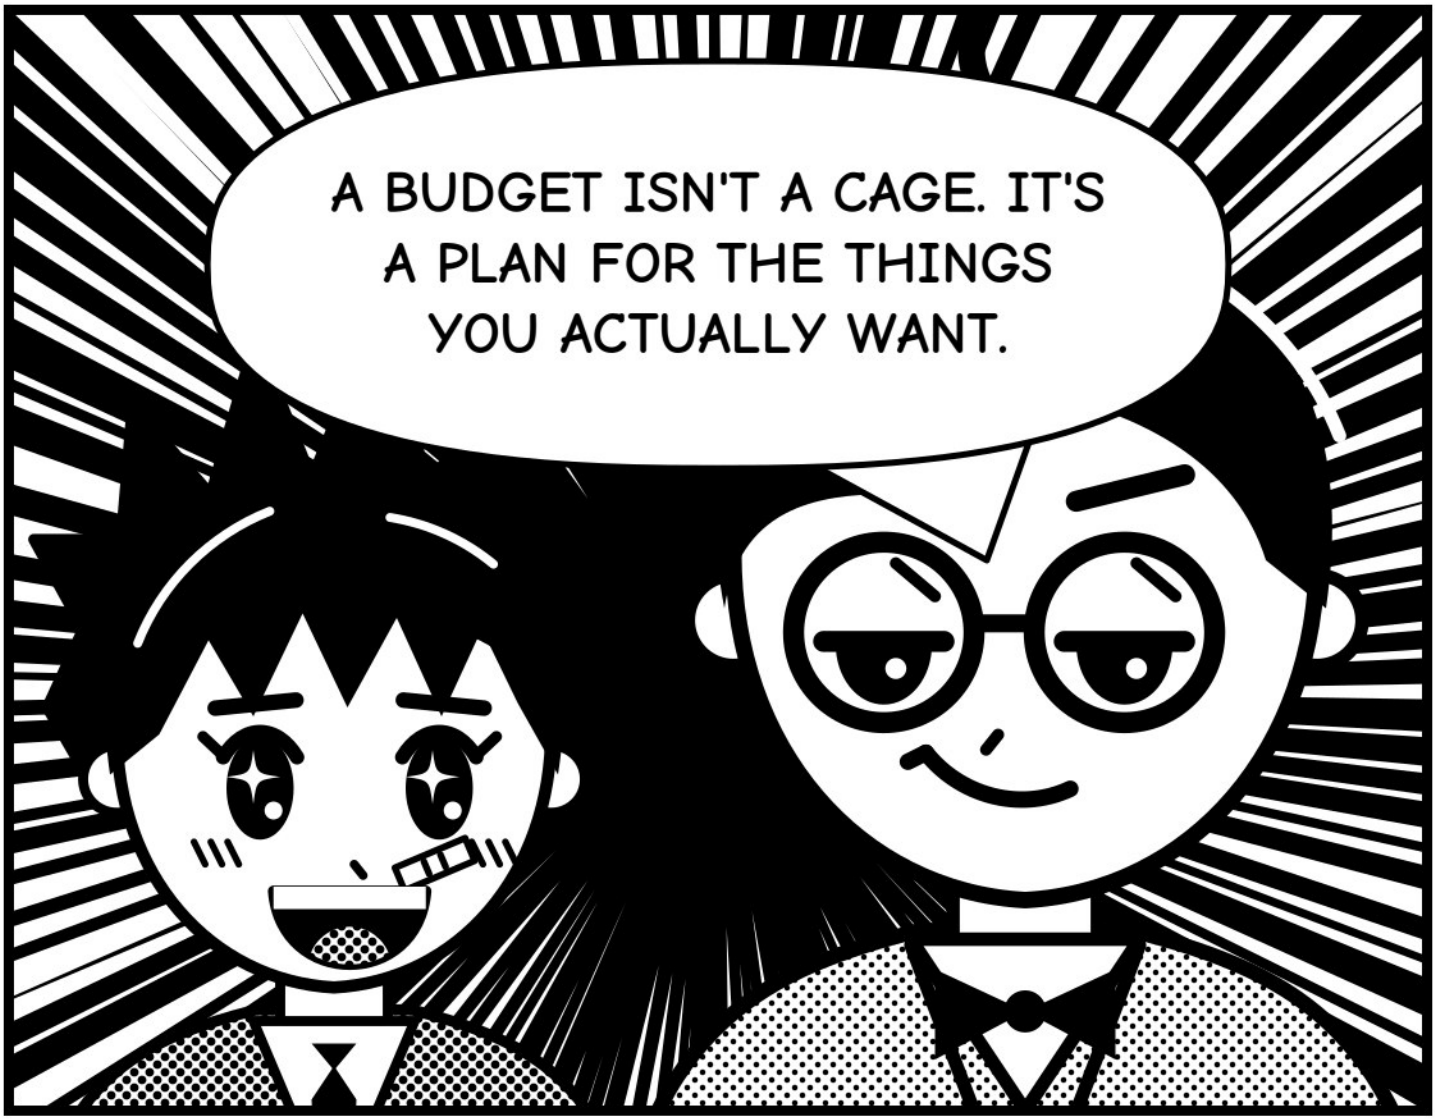

AND TWENTY PERCENT GOES TO SAVINGS.
OKAY, BUT I ONLY GET TWO THOUSAND RUPEES A MONTH.
₹
PERFECT. FIFTY PERCENT OF TWO THOUSAND IS ONE THOUSAND RUPEES FOR NEEDS. THAT'S YOUR BUS PASS, RECHARGE AND SCHOOL STUFF.
THIRTY PERCENT IS SIX HUNDRED RUPEES FOR WANTS. SNACKS, MOVIES, GAMES.
₹
AND TWENTY PERCENT IS FOUR HUNDRED RUPEES THAT GOES STRAIGHT INTO SAVINGS.
HMPH

SO FOUR HUNDRED A MONTH FOR A SIX THOUSAND RUPEE CYCLE IS... ONE, TWO, THREE... FIFTEEN MONTHS? I'LL BE IN COLLEGE, STEWIE!
!?
THEN ADJUST. CUT TWO HUNDRED RUPEES FROM YOUR WANTS.
NOW YOU SAVE SIX HUNDRED A MONTH, AND YOU GET THE CYCLE IN TEN MONTHS INSTEAD OF FIFTEEN.
SO EVERY SAMOSA I SKIP IS CYCLE PROGRESS?
?

PRECISELY. EVERY RUPEE YOU SPEND ON ONE THING IS A RUPEE YOU CAN'T SPEND ON SOMETHING ELSE. THAT'S CALLED OPPORTUNITY COST.
OPPORTUNITY COST. SOUNDS LIKE SOMETHING RICH PEOPLE SAY ON YACHTS.
GULP
RICH PEOPLE SAY IT BECAUSE THEY UNDERSTAND IT. NOW, THE SECOND SECRET. MAKE YOUR GOAL SPECIFIC. NOT, I WANT A CYCLE SOMEDAY.
SAY, I WANT A SIX THOUSAND RUPEE CYCLE IN TEN MONTHS, SO I'LL SAVE SIX HUNDRED EVERY MONTH.
HMPH

WHAT IF I GET EXTRA MONEY? LIKE, FROM MY UNCLE DURING DIWALI?
BONUS MONEY IS A CHEAT CODE. PUT AT LEAST HALF OF IT TOWARDS YOUR GOAL, AND YOU'LL GET THERE MONTHS FASTER.
PING!
AND WHAT IF I MESS UP ONE MONTH?
?
THEN YOU ADJUST AND KEEP GOING. A BUDGET ISN'T ABOUT BEING PERFECT.

IT'S ABOUT KNOWING WHERE YOUR MONEY GOES, INSTEAD OF WONDERING WHERE IT WENT.
SO A BUDGET ISN'T A PUNISHMENT?
?
NO, PETER. A BUDGET ISN'T A CAGE. IT'S A PLAN FOR THE THINGS YOU ACTUALLY WANT.

## REMEMBER THIS

1. Split your money 50-30-20: 50% needs, 30% wants, 20% savings.
2. Make your goal specific: a Rs 6,000 cycle in 10 months means saving Rs 600 every month.
3. Every rupee spent on one thing can't be spent on another. That's opportunity cost.
4. Put at least half of any bonus money toward your goal. A budget is a plan, not a cage.
