RICK! EASIEST JOB EVER! A GUY ON INSTAGRAM WILL PAY ME FIVE THOUSAND RUPEES JUST TO USE MY BANK ACCOUNT FOR A FEW DAYS.
I D-DON'T EVEN HAVE TO DO ANYTHING!
MORTY, THAT JOB HAS A NAME. MONEY MULE.
MONEY MULE
LIKE... A DONKEY?
?

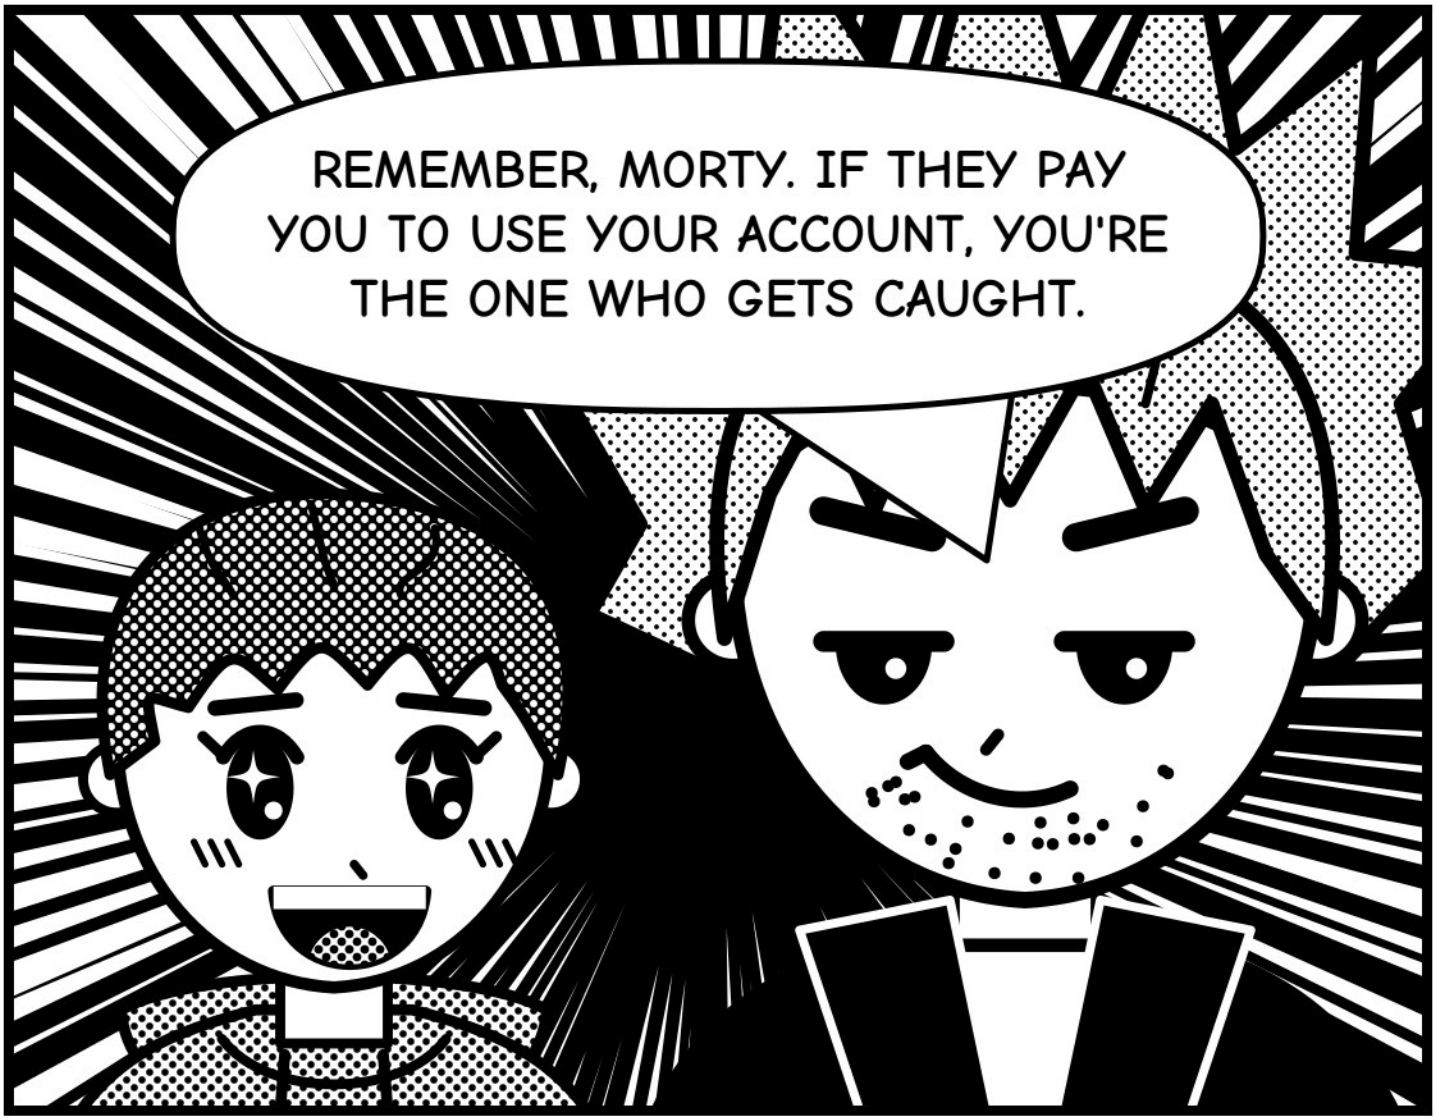

WORSE. HERE'S HOW IT WORKS. SCAMMERS STEAL MONEY FROM VICTIMS.
SCAM!
SOMEONE'S GRANDMA WHO SHARED HER OTP, SOMEONE WHO FELL FOR A FAKE JOB.
BEEP!
THEY CAN'T KEEP THAT MONEY IN THEIR OWN ACCOUNTS, OR THEY'D GET CAUGHT.
SO THEY RENT ACCOUNTS FROM PEOPLE LIKE YOU, AND MOVE THE STOLEN MONEY THROUGH THEM.
B-BUT I DIDN'T STEAL ANYTHING!
GULP

DOESN'T MATTER. THE STOLEN MONEY WENT THROUGH YOUR ACCOUNT, SO THE TRAIL LEADS STRAIGHT TO YOU. NOT TO THE SCAMMER. TO YOU.
SCAM!
YOUR ACCOUNT CAN GET FROZEN, YOUR NAME ENDS UP IN A POLICE COMPLAINT, AND YOU CAN FACE CRIMINAL CHARGES.
FOR FIVE THOUSAND RUPEES?!
!?
YEP. AND THEY'RE SMART ABOUT IT. THEY DON'T SAY BE A MONEY MULE.
MONEY MU

THEY SAY PART-TIME JOB, WORK FROM HOME, EARN COMMISSION, OR JUST HELP US RECEIVE SOME PAYMENTS.
THEY TARGET STUDENTS, BECAUSE STUDENTS NEED MONEY AND DON'T KNOW THE RISK.
SO WHAT ARE THE WARNING SIGNS?
?
ANYONE WHO ASKS YOU TO LEND YOUR ACCOUNT, RECEIVE MONEY AND FORWARD IT TO SOMEONE ELSE,
HMPH

SELL YOUR SIM CARD OR UPI ID, OR SHARE YOUR NET BANKING LOGIN.
UPI
PING!
OR A JOB THAT NEEDS YOUR BANK DETAILS, BUT NO REAL SKILLS OR INTERVIEW.
HMPH
WHAT IF A FRIEND JUST WANTS TO BORROW MY ACCOUNT? LIKE, JUST ONCE?
SAME ANSWER. YOUR ACCOUNT, YOUR NAME, YOUR RESPONSIBILITY.
HMPH
NEVER SHARE YOUR ACCOUNT, YOUR DEBIT CARD, YOUR CHEQUE BOOK, YOUR SIM OR YOUR LOGIN. NOT EVEN WITH FRIENDS.

AND WHAT IF SOMEONE'S ALREADY DOING THIS AND WANTS TO STOP?
STOP IMMEDIATELY.
STOP!
TELL YOUR PARENTS OR A TRUSTED ADULT, CONTACT YOUR BANK, AND REPORT IT ON CYBERCRIME DOT GOV DOT IN, OR CALL NINETEEN THIRTY.
REPORTING EARLY IS ALWAYS BETTER THAN GETTING CAUGHT LATER.
GOT IT.
KIRA!
REMEMBER, MORTY. IF THEY PAY YOU TO USE YOUR ACCOUNT, YOU'RE THE ONE WHO GETS CAUGHT.

REMEMBER THIS

1. A money mule lets scammers move stolen money through their bank account. The trail leads to you.
2. Warning signs: lend your account, forward payments, sell your SIM or UPI ID, or a 'job' with no skills or interview.
3. Never share your account, debit card, cheque book, SIM or login. Not even with friends.
4. Already involved? Stop, tell a trusted adult, contact your bank, and report at cybercrime.gov.in or call 1930.
