HEY STEWIE, I'M BROKE AGAIN, AND I DIDN'T EVEN BUY ANYTHING BIG THIS MONTH. I THINK A GHOST IS STEALING MY MONEY.
BOO!
THE GHOST IS YOU, PETER. OPEN YOUR UPI HISTORY. READ IT OUT LOUD.
BOO!
UPI
CHAI, TWENTY RUPEES. SAMOSA, THIRTY. CHAI, TWENTY. GAME TOP-UP, FORTY-NINE. CHAI. CHAI. CHIPS. CHAI...
GULP
TWENTY RUPEES A DAY FEELS LIKE NOTHING, DOESN'T IT? NOW DO THE MATH. TWENTY RUPEES A DAY IS SIX HUNDRED RUPEES A MONTH.
₹

AND SEVEN THOUSAND THREE HUNDRED RUPEES A YEAR.
SEVEN THOUSAND?! STEWIE, I DRANK A WHOLE PHONE.
!?
AND THAT'S JUST CHAI. ADD THE SNACKS, THE GAME TOP-UPS, THE LATE NIGHT FOOD DELIVERY.
SMALL AMOUNTS, EVERY DAY, QUIETLY ADD UP TO SOMETHING HUGE.
BUT THEY'RE SO SMALL! HOW WAS I SUPPOSED TO NOTICE?
GULP

THAT'S EXACTLY THE PROBLEM. UPI MAKES MONEY INVISIBLE.
PING!
UPI
WHEN YOU PAY WITH CASH, YOU SEE THE NOTES LEAVING YOUR HAND AND IT HURTS A LITTLE.
WITH UPI, IT'S ONE TAP AND A HAPPY LITTLE SOUND. YOUR BRAIN DOESN'T EVEN REGISTER IT.
PING!
UPI
THE LITTLE SOUND IS SO SATISFYING THOUGH.

IT'S SATISFYING FOR THE SHOPKEEPER, PETER. NOW CHECK YOUR SUBSCRIPTIONS TOO.
THAT MUSIC APP, THAT STREAMING APP, THAT GAME PASS YOU FORGOT ABOUT.
HMPH
NINETY NINE HERE, ONE FORTY NINE THERE, CUTTING MONEY EVERY SINGLE MONTH.
OH NO. I'M PAYING FOR THREE APPS I HAVEN'T OPENED SINCE SUMMER.
GULP

CANCEL THEM. NOW, HERE ARE THE TWO HABITS THAT FIX ALL OF THIS. HABIT ONE. SAVE FIRST.
THE DAY MONEY COMES IN, MOVE YOUR SAVINGS INTO A SEPARATE ACCOUNT OR POT BEFORE YOU SPEND A SINGLE RUPEE. SPEND ONLY WHAT'S LEFT.
HMPH
PAY MYSELF FIRST. LIKE A CEO. HEHEHEHE.
HABIT TWO. EVERY SUNDAY, SPEND TWO MINUTES SCROLLING YOUR UPI HISTORY.
UPI
JUST LOOKING AT WHERE YOUR MONEY WENT MAKES YOU SPEND SMARTER THE NEXT WEEK.

SO DO I HAVE TO QUIT CHAI? THAT'S INHUMANE.
?
NO. YOU DON'T HAVE TO QUIT WHAT YOU LOVE. YOU JUST HAVE TO CHOOSE IT ON PURPOSE. CHAI THREE TIMES A WEEK, NOT THREE TIMES A DAY.
DEAL.
KIRA!
SMALL LEAKS SINK BIG SHIPS, PETER. SAVE FIRST, THEN SPEND WHAT'S LEFT.

REMEMBER THIS

1. Small spends add up: Rs 20 a day is Rs 600 a month and Rs 7,300 a year.
2. UPI makes money invisible. Check your history every Sunday for two minutes and cancel unused subscriptions.
3. Save first: move savings to a separate pot the day money comes in, then spend what's left.
4. You don't have to quit what you love. Choose it on purpose.
